

A login form titled "login form" with the instruction "pleace enter name and password". It features two input fields: the first contains the text "suryahari", and the second contains five dots, indicating a password. A green "LOGIN" button is positioned below the password field. The form is set against a black background.

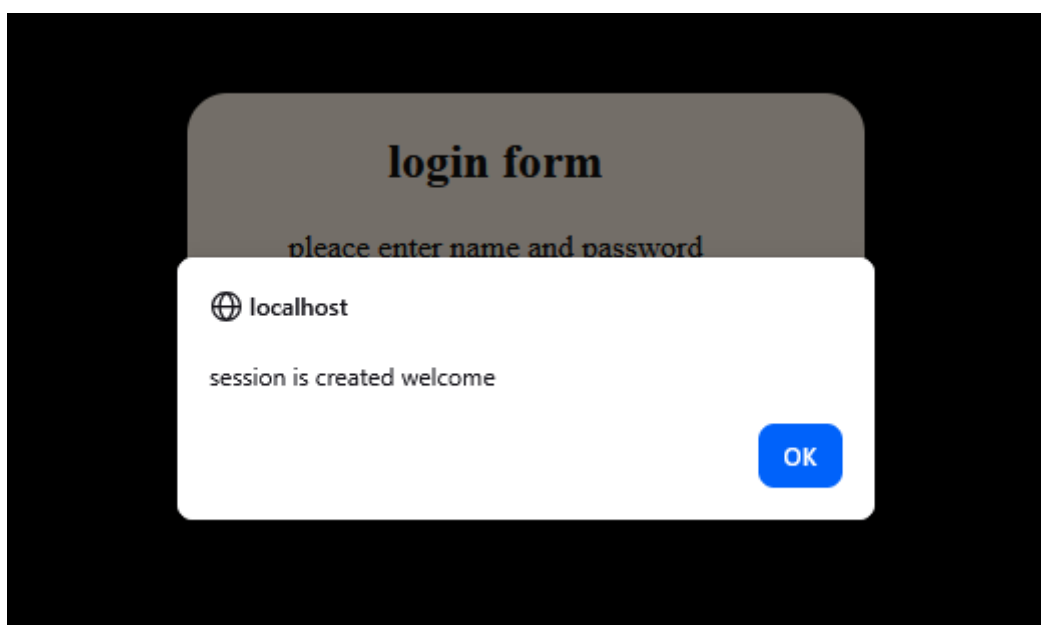

login form

pleace enter name and password

suryahari

.....

LOGIN

The same login form as above, but with a white modal overlay. The modal has a title bar with a globe icon and the text "localhost". The main text inside the modal reads "session is created welcome". A blue "OK" button is located in the bottom right corner of the modal. The login form itself is dimmed in the background.

login form

pleace enter name and password

localhost

session is created welcome

OK

hello surya sucessful login

logout

🌐 localhost

session closed goodbye!
